1.1.4.	Confirmation of signatures of authorized persons, included into signature card and company's chop, for account opening purpose	CNY 2000		
Note to paragraph 1.1.4.				
When rendering services to customers outside the city of the Bank, the Customer shall additionally pay (reimburse to the Bank) expenses related to travel of the Bank's employees to the place of work and his/her residence there				
Note to paragraph 1.1.				
1. Tariff in accordance with p. 1.1. is charged once at the moment of opening of the first account. In case the application of opening of the first account contains accounts in foreign currency and in CNY, the tariff applies only to one of the accounts. Subsequent account opening is free of charge.				
2. Tariff is charged no later than 5 working days from the date of account opening.				
3. Opening of deposit account is free of charge.				
1.2.	Account service fee			
1.2.1.	In CNY and foreign currencies, except EUR			
1.2.1.1.	For PRC residents			
	with RBS service	CNY 650 monthly		
	without RBS service	CNY 1200 monthly		
1.2.1.2.	For non-residents of PRC			
	with RBS service	USD 90 monthly		
	without RBS service	USD 150 monthly		
Note to paragraph 1.2.1.				
1. Tariff is charged on monthly basis in the first working day of calendar month (regardless the quantity of opened accounts, opened in currencies other than EUR) or upon receipt of funds.				
2. In the absence of turnover during the month (accrued interests, bank tariffs and erroneously written-off amounts from customer's account are not included in turnover), tariff is charged in the amount in accordance with p. 1.2., but not exceeding the amount of the account balance. In case of absence of sufficient amount on the account to pay the fee, the amount of fee may be withheld from other accounts of the Client (except for capital and/or transit) opened in the Branch, in accordance with General commercial agreement at the rate of Central Bank of Russian Federation on the date of tariff is charged. Tariff is not charged, if there are restrictions on the account in the amount of the available account balance in accordance with the legislation of the PRC and the Russian Federation. If there is the amount exceeding the amount of blocked funds, the tariff is charged in the prescribed amount.				
3. Tariff is not charged in the month of account opening. Tariff is charged in the month of account closing regardless of the number of calendar days of service during the month.

	with RBS service	0,08 % from average monthly account balance	USD 90 monthly
	without RBS service	0,08 % from average monthly account balance	USD 150 monthly

Note to paragraph 1.2.2.

- Tariff is charged on monthly basis in the first working day of calendar month (regardless the quantity of opened accounts) or upon receipt of funds.
- Tariff is charged from the average monthly account from current account in EUR and respective transit account.
- Monthly account balance is calculated separately for each account (current and transit account) for the Client as the sum of the account balances at the beginning of each day of the month in proportion to the number of calendar days in the month. The tariff for the months of account opening and account closing is calculated in proportion to the actual number of calendar days in this month during which the Bank account agreement is valid.
- In the month of account closing the tariff is charged in the day of transferring account balance from client's account to other Bank.
- If the account does not have sufficient funds to pay the tariff, the amount of the fee may be deducted from the Client's other accounts (except for capital and/or transit accounts) opened in the Branch, in accordance with the provisions of the Bank account agreement at the exchange rate of the Central Bank of the Russian Federation on the date of tariff is not charged if there are restrictions on debiting funds in the amount of the available account balance in accordance with the laws of the PRC and the Russian Federation. If there is an amount of money on the account that exceeds the amount of blocked funds, the fee is charged in the prescribed amount.
- The tariff is charged in the amount specified in p.1.2.2, not exceeding the amount of the account balance.

Note to paragraph 1.2.

If Tariff is charged in accordance with clause 1.2.1, tariff in accordance with clause 1.2.2 is charged at the base rate.
